Attached is the latest draft of Ross' visit. I spoke with Benita Best-Wong this morning and she strongly recommended a briefing on water reuse, as this is something Dave wants to learn more from the Regions. We may need to have Dave work with someone to bone up on this and give the presentation. Also, she mentioned that Dave Ross is recused from all Cargill matters, so he's unlikely to discuss with Stoker – will let Amy know.

Thx
